Message from the Principal

Dear Cuda Parents and Community,

As the proud new principal of Miami’s Mega Magnet, it is indeed my pleasure to welcome everyone back, both through the Schoolhouse model or via My School Online. We are so pleased to get the fun and excitement of the school year underway for what I am sure will be a year of learning and growth.

Our teachers continue to attend professional development and are working tirelessly to make their lessons meaningful and engaging. They will continue to incorporate research-based best practices and to utilize academic data to address the learning needs of our students. As always, we believe that together we can do a stellar job of preparing our students to be outstanding citizens in the global community, in addition to preparing them for their next educational pursuit or career path.

Our priority is to ensure our students, faculty, and staff return to a safe, clean environment. Our custodians have been sanitizing and arranging classrooms to ensure the best conditions possible for our students and staff. We are also enhancing our website to make our information timely and up to date. Likewise, we encourage our stakeholders to connect with us via our Social Media platforms as we continue to keep it current so that students and families can continue to be engaged with all of the extracurricular and social aspects of being a Cuda. Keep up with us on Twitter: www.twitter.com/sr_reef, or via our Instagram: www.instagram.com/coralreefhs. Our academies also share information via Booster emails, while our Lead Teachers help to guide our students by sending reminders via email to make sure everyone is informed and feels included.

It is an honor for me to serve as Principal for a school that is rich with dedicated, committed stakeholders. Together, we continue to strive to build academic excellence and develop social growth. Our resilience and ingenuity allow us to continue to demonstrate excellence. I look forward to working together with you to provide the best educational experience for your Cuda.

Finally, our 2020-2021 school theme is: “No Place I’d Rather Be.” This theme has become even more meaningful in our endeavor to re-open Coral Reef Senior High School. I look forward to seeing you "Around the Reef!"

Mrs. Nicole Bergé-MacInnes
Principal
Coral Reef High School

Academic Programs – Student Progression Plan (SPP). School Board Policy 5410
Provides guidance to teachers, school and district administrators, parents and other stakeholders regarding the requirements and procedures for students to progress from one grade to the next, kindergarten through grade 12 and adult education. The information presented in this document is derived from requirements set forth by Florida Statutes, State Board of Education Rules and Policies established by The School Board of Miami-Dade County.

Bring Your Own Device (BYOD)
Bring Your Own Device allows students, parents, staff and guests to integrate the utilization of technology devices at specified times during the instructional day to enhance the learning experience. Examples of the types of technology which can be used are Windows laptops/tablets, Mac laptops, Android tablets, and iPads.

Bullying/Cyberbullying
The School Board has adopted a policy Against Bullying and Harassment with Bullying defined by state law as systematically and chronically inflicting physical harm or psychological distress on one or more students. Complaints of bullying should be reported to the Principal promptly. Cyberbullying is a form of bullying that takes place virtually over digital devices such as computers, smartphones, and tablets. Cyberbullying most commonly takes place via social media, texting, instant messaging, and email. Say NO to cyberbullying! If you or someone you know is being bullied, report this information to the Bullying/Harassment Anonymous Helpline at 305-995-CARE (2273) or the school principal. Resources:

Closing of School
The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Community School Program
The Community School Program offers an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School Program is as wide and varied as the needs of the community it serves. Community schools provide programs that are funded by fees, tuition, grants, and donations, on community school sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

Each of the 39 Community Education Centers offer classes for individuals of all ages, skill levels and language capabilities. Students enrolling in language or computer classes have the opportunity to enhance the job skills needed to satisfy the demands of today’s world. Annually, thousands of people have taken advantage of these recreational and educational opportunities, and if an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

For more specific information on Miami-Dade County Public Schools Community Education and Before and After School Care programs or Middle School Enrichment After School programs, please log on to our website at www.dadecommunityschools.net or please call Mr. Victor Ferrante, Executive Director at 305-817-0014.

Students are encouraged to promptly report incidents of discriminatory or harassing conduct to their Principal or the Office of Civil Rights Compliance (CRC) so that the conduct can be addressed before it becomes severe, pervasive, or persistent. The School Board has also adopted a policy Against Bullying and Harassment with Bullying defined by state law as systematically and chronically inflicting physical harm or psychological distress on one or more students. Complaints of bullying should be reported to the Principal promptly.

The form must be carefully completed and returned. Students may only be released from school to the persons listed on the form after presenting a picture identification. No persons, other than school staff, will have access to the information submitted. Participation in fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her teacher(s) in advance. In addition, at times vendors who have a “no refund” policy will require schools to pay the full amount of the fieldtrip prior to the event. In this case, students/parents will be notified in advance of the vendor’s “no refund” policy.

Schools shall provide at least 100 minutes of supervised, safe, and unstructured free-play recess each week for students in kindergarten through grade 5, so that there are at least 20 consecutive minutes of free-play recess per day.

Safety and Security
- Emergency Operations Plan
  Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans
address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills (active shooter, hostage, & bomb drills), the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all MDSPD Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

BeSafe Anonymous Reporting System (Insert Flyer)
http://hoover.dadeschools.net/portable_doc/68128_Be_Safe_Anonymous_Reporting_System_Flyer.pdf

- **Fire Drills**
  Ten fire drills will take place during the school year according to the Miami-Dade County Public Schools Policy and Emergency Procedures. At the sound of the emergency bell, students must stop what they are doing and follow the teacher’s instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom at the sound of the emergency bell must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- **Emergency Drills**
  Twenty-one emergency drills, to include one monthly active shooter drill and one hostage situation or bomb threat drill, will take place during the school year according to Florida Senate Bill 7026, also known as the Marjory Stoneman Douglas High School Public Safety Act. One additional active shooter drill must take place within the first 30 days of the opening of schools. All emergency drills shall be conducted in accordance with the appropriate corresponding situational response as outlined in the EOP and shall include developmentally appropriate and age-appropriate procedures.

- **Lockdown Procedures**
  Lockdowns are utilized in response to an immediate threat posed to students and staff. Schools have successfully performed lockdowns in response to police activity adjacent to
a facility and potential armed intruders onsite. Students, faculty and staff will comply with all the procedures outlined in the Miami-Dade Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator and/or law enforcement makes an “All Clear” announcement.

• **Threat Assessments**
Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat assessment. A threat assessment is a problem-solving approach to violence prevention that involves assessment and intervention with students who have threatened violence in some way. When a preliminary determination is made, by the school administrator or designee, that a student poses a threat of violence or physical harm to him/herself or others is known, a Threat Assessment Team (TAT) shall be notified and shall convene to determine the best course of action. Authorized members of the TAT may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services. Threat assessment and disciplinary procedures are separate processes. Regardless of whether a threat is determined to be transient, serious substantive, or very serious substantive, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

• **Visitors**
Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice. All visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

**School Activities/Clubs**
All School Activities, clubs, and organizations must be approved by the principal and conform to the School Board Policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

• **Clubs**
Miami-Dade County Public Schools’ students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurricular-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

**School Center for Special Instructions (SCSI)**

School administrators may elect to assign students to the School Center for Special Instruction (SCSI) as an interim alternative educational setting to suspension from school. SCSI is designed to provide strategies and resources to students focused on learning new behavior skills. When misconduct in a class results in an assignment to SCSI, the student should be reassigned from only the class in which the misconduct occurred. Continued misconduct can result in the reassignment from all classes.

**School Class Picture Process**
The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer's staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

School Transportation
Miami-Dade County Public Schools will transport more than 60,000 students a day this school year, using a fleet of 1,300 buses on nearly 1100 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for students with special needs in some instances.

Before school begins, parents/guardians of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pick-up and delivery. Information on student bus assignments will be posted on the Parent Portal at www.dadeschools.net. The information on bus assignments on the Parent Portal is updated each night. Parents/guardians are encouraged to check the Parent Portal throughout the school year to obtain the most current information on their children’s bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Special Education/Section 504
The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement.

Students who are not eligible for specially designed instruction and related services in accordance with state eligibility categories but have a disability that substantially affects a major life activity may be eligible for accommodations pursuant to Section 504 of the Rehabilitation Act of 1973.

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at http://ese.dadeschools.net/.

Student Records
The education records and personally identifiable information of students are protected by The Family Educational Rights and Privacy Act (FERPA) and the Florida Statutes. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records,
which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in School Board Policy 8330.

Each school must provide to the parent(s), guardian(s) or eligible student(s) an annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

Student Services
The Division of Student Services provides prevention and intervention services to PK-Adult students throughout the District. These services focus on the elimination of social and emotional barriers that inhibit students’ academic success and prepare students to be college and career ready. An integrated team of uniquely trained student services professionals deliver these direct services to students.

Student Success Centers
The Student Success Centers provide an educational setting and safe-haven for referred students (ages 11 and older) exhibiting Level III-IV behavior and (with Region approval) habitual Level II infractions of the Code of Student Conduct.

The Parent Academy
Miami-Dade County Public Schools created The Parent Academy to bridge the gap between home and school by connecting parents to valuable resources and information, which answers questions on topics that impact children’s lives, including helping children learn, parenting skills, financial management, and health and wellness.

The Parent Academy supports parents in becoming more involved in their children’s education and empowers them to set and achieve personal empowerment goals for higher education and career advancement by providing free, year-round workshops, classes and events at schools, libraries, parks, colleges, private businesses and neighborhood centers across the county.

Parents can participate in workshops and classes that are aligned to their needs and convenient to their homes and workplaces. Upcoming events and workshop offerings are listed on The Parent Academy website at parentacademymiami.com. For additional information, please call The Parent Academy at 305-995-2680 or The Department of Family Support Services at 305-271-8257.

Transgender and Gender Non-Conforming Students
The School Board of Miami-Dade County has adopted comprehensive anti-discrimination and anti-bullying policies that require all students be treated with respect regardless of their unique
characteristics, including sexual orientation or gender identity. Every student has the right to learn in a safe and accepting school environment and schools have a responsibility to provide a safe and nondiscriminatory environment for all students, including transgender and gender nonconforming students.

These guidelines are intended to promote a positive, proactive approach that upholds and protects the rights of transgender and gender nonconforming students; and best practices to ensure that transgender students and gender nonconforming students have equitable access to all aspects of school life (academic, extracurricular and social) in ways that preserve and protect their dignity.

**Verifications of Residency**

If verification is not provided or acceptable, the Superintendent may verify the student's residence.

Anyone who knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his/her official duty is guilty of a second-degree misdemeanor of the second degree under F.S. 837.06. In addition, anyone who knowingly makes a false verified declaration is guilty of perjury, a third-degree felony under F.S. 95.525.

Addendum to 2020-2021 Parent/Student Handbook
Miami-Dade County Public Schools
COVID-19 Policies and Procedures for the Schoolhouse Instructional Model

During declared health emergencies, the District will implement policies and procedures consistent with applicable Centers for Disease Control and Prevention (CDC) and Florida Department of Health (FDOH) guidance. In addition, as applicable, the District will consult with and comply with applicable local health department protections. Requirements and procedures established by the District in response to an emergency affecting the health safety and welfare of our students and staff will take precedence over provisions of the Parent/Student Handbook when necessary and until the emergency has ended. Due to circumstances related to the COVID-19 public health emergency, Miami-Dade County Public Schools may need to alter or suspend select in-person operations to protect the health and safety of its students, employees, and their families. Please refer to http://reopening.dadeschools.net/index.html to find updated information regarding the District’s reopening plan. The following procedures and guidelines are applicable to student attendance in brick and mortar buildings during Stage II reopening.

Arrival Procedures During Stage II
Children, parents and visitors are always required to maintain the maximum amount of social distancing possible during arrival. No one should congregate in large groups.

The gates will open to receive the students at 6:30 am. Parents may drop off students inside the entrance loop on SW 102 Avenue and on the SW 102 Avenue corridor. Student drivers will enter on SW 99th Court and park in the designated student lot. Busses will enter on SW 99th Court and proceed to the Driver’s Education lot where students will disembark. Staff will supervise the students with disabilities when they disembark the busses located adjacent to the student parking lot and will enter through the Art Wing doors. Parent drop-off of students with disabilities will occur in the southeast section of the student lot. Staff will escort students through the southeast entrance of the building. Administration, security and other support personnel will be stationed at all entry points to monitor students and direct them to the appropriate supervised areas. Student entrances include: Main entrance, rear courtyard entrances and Agriscience entrance. Breakfast will be distributed to students beginning at 6:30 am from the cafeteria and concession stands. Students may sit in the designated marked seating areas in the cafeteria that comply with 6 feet of social distancing. The courtyard and field spaces, on the east side of the gymnasium, will be used as an annex to the cafeteria for spacing purposes. All areas discussed will be supervised by various staff members who will enforce CDC guidelines of proper distancing and the wearing of face coverings. The cafeteria will not be used as a gathering place for the congregation of students.
Dismissal Procedures During Stage II

Children, parents and visitors are always required to maintain the maximum amount of social distancing possible during arrival. No one should congregate in large groups.

Security, administration, and support staff will be stationed throughout the campus and exterior areas to provide supervision during the dismissal of students.

➢ Dismissal will be staggered based on the following schedule:
  ❖ Math building and the Business wing classrooms dismiss at 2:15 pm
  ❖ Second floor classrooms in the Main building dismiss at 2:17 pm
  ❖ First floor classrooms dismiss at 2:20 pm

All students must exit the campus using one-way hallways and stairwells. All exit doors will be utilized as student exit doors except for the doors leading into the faculty parking lot and the loading dock area behind the cafeteria. Students will not be allowed to congregate in the courtyards, parking lots, or any other places on the campus. If a student is participating in athletic conditioning, coaches are responsible for receiving their athletes at the designated location no later than 2:30 pm. Parent pickup will take place in the front loop and on 102 Avenue once the busses depart. Parents/guardians are to remain in their vehicles at all times. Students may also depart the campus via busses on SW 102 Avenue or the student parking lot on SW 99 Avenue.

Breakfast/Lunch During Stage II

Administrators, security, and support staff will be assigned to supervise breakfast and lunch periods. Students will report to the cafeteria to obtain breakfast and lunch. Breakfast will be a grab and go distribution format. The cafeteria traffic flow is clearly marked. There will be three lunch periods in order to accommodate social distancing requirements. All meals will be served in single-use containers. Breakfast and lunch are free through December of 2020. Students will have the option to eat in the following areas: the cafeteria using pre-identified seating areas, the courtyard, or the field east of the gymnasium. Students will wear masks throughout the lunch period except during the consumption of food. There will be physical distancing of at least 6 feet between students. Students may not congregate in groups. Students may not access any other areas on the campus unless authorized by an administrator. Students will need to dispose of their food items in trash receptacles located throughout the eating areas in order to minimize custodial contact with used packaging. A maximum of two students may sit at a picnic table ensuring 6 feet of distance when eating.

School Transitions

All MDCPS schools have put procedures in place to limit large group gatherings. Signage has been placed throughout every campus to remind students of the expectations to promote the safest learning environment possible. When transition between classrooms is necessary schools have developed a plan of either one way or two-lane hallways depending on school design and need. School staff will monitor transitions to ensure students are maintaining maximum social
distancing and wearing face coverings. Parents should remind students of the need to comply with school procedures to ensure their safety as well as their classmates.

Administrators, security, and support staff will be stationed throughout the campus to provide supervision during the transition of students. Teachers are to ensure that all students are wearing their face covering/mask before dismissing them to their next class. Students may not congregate in the hallways or courtyards under any circumstance. Signage in the hallways and stairwells indicate one directional walking and students must adhere to this pattern. Students should abide by the signage in the buildings. Students must remain physically distant from one another (6 feet) when walking from class to class. Students will have 10 minutes to transition between classes. Restrooms and offices will be closed during the transition periods. During heavy rain periods, hallways may convert to two-directional walking if needed.

School custodial staff will perform routine environmental cleaning or regular cleaning for most surfaces. School site custodial procedures have been adjusted to increase the frequency of sanitizing high-touch areas with hospital-grade germicide throughout the day. Upon the end of each day, custodial teams will sanitize all areas of the campus in preparation for the next day of learning.

**Duty to Report Symptoms**
If anyone in the student’s household in is diagnosed with COVID-19, parents/guardians must report that exposure to the school(s). The school will consult with the public health department to assess what precautions should be taken, including but not limited to, asking your student to stay home from school for fourteen (14) days in order to protect the school community. This is a precaution, and the school will work with you to keep your student engaged and current on all schoolwork to the extent possible during the fourteen (14) day period.

**Daily Pre-Arrival Health Screening**
Before coming to school in the morning, students and parents should assess whether the student has any symptoms of COVID-19. At this time, those symptoms include: a fever over 100.4 degrees Fahrenheit; cough; shortness of breath or difficulty breathing; fatigue; muscle or body aches; headache; new loss of taste or smell; sore throat; congestion or runny nose; nausea or vomiting; or diarrhea. If a student develops any of these symptoms, the symptoms should be reported to the school and discussed prior to the student reporting to school.

While the District will not be taking temperature checks on-site at this time, the school will rely on the students, staff, and families to report accurate information for the safety of all the other families affected throughout the District.

All information provided will be kept confidential as required by law, except to the extent that it is necessary to advise or protect staff and other students from transmission of the virus. If you have symptoms or are diagnosed with COVID-19, or a family member residing in your household tests positive for COVID-19, your student may be required to stay home until they can
be tested or receive medical clearance indicating they do not have COVID-19 and can safely return to school.

Expectations of All Students at School

**General:**
1. Stay home if sick.
2. Sanitize hands with hand sanitizer that contains at least 60% alcohol upon entering the building.
3. Wash hands frequently or use hand sanitizer that contains at least 60% alcohol if soap and water are not available.
4. Avoid touching face and eyes.
5. Wash/sanitize hands after touching or removing facial covering.
6. Limit use of shared objects, such as physical education equipment, playground equipment, art supplies, toys, and games. Shared objects will be cleaned after each use.
7. Bring personal water bottles with water. Water fountains will be turned off and hydration stations will be made available for refills.
8. Follow all directions provided by teachers or administrators for the safety of the school community. It is especially important that students stay in the classrooms and spaces.

**Face Coverings and Social Distancing:**
1. All persons must maximize physical distancing to the extent possible under the circumstances.
2. All persons must wear facial coverings that cover both the mouth and nose when on school board property, at a school board activity, or riding a bus or in other approved transportation. Students and children over 2 years of age are expected to come to school each day with their personal face coverings. However, quality facial coverings will be available for distribution to students in case of emergency or to reduce stigma where necessary. Students are responsible for their own personal property and face coverings should be stored appropriately. If your child needs a face covering, please contact your child's principal.
3. Facial coverings must be made from a minimum of double layer cloth and be snug fitting to cover both the nose and mouth. Facial coverings should not include any type of exhalation valves or vents or masks designed as a costume.
4. It is recommended to have two face coverings available each day in case one face covering becomes unfit for use. Under no circumstances should student share or swap facial coverings. To learn more about appropriate face covering use and the types of face coverings recommended for use in schools, please review pages 28 and 29 of the District’s Reopening Guide Reopening Guide-English.
5. All student facial coverings must meet the requirements of the *Code of Student Conduct* and Policy 5511, Dress Code and School Uniform. Face coverings are apparel/accessory
and must not include obscene, profane, drug-related, gang-related, or inflammatory messages or pictorial graphics. Face coverings which include inappropriate language that could be perceived as offensive, derogatory, threatening, or intimidating are strictly prohibited. Repeated display of such face coverings will constitute disciplinary measures as outlined in the Code of Student Conduct.

6. Refusal to wear a face covering after directed to comply by an authority figure will constitute defiance of school personnel and/or disruptive behavior pursuant to the Code of Student Conduct. Continuous refusal to comply may result in a student being assigned to online or remote learning. Developmental ages and intellectual, developmental, and behavioral disabilities must be duly considered by the principal, as appropriate.

7. Students participating in extracurricular activities, such as athletics, musical or theatrical performances, where the wearing of facial coverings is not practicable or may create a health risk, will be directed by their teacher, coach, or advisor as to when facial coverings may be removed during the activity such as swimming or high intensity activities where breathing may be more difficult. However, students must continue to follow maximum social distancing and all other safety procedures in place for the activity and must resume wearing the facial covering when directed to do so.

8. Exemptions from the use of facial coverings must be requested directly to the school principal. Supporting documentation for any exemption will be required. Students who have difficulty breathing, or sensory issues arising from a documented medical or psychological issue, or students who have communication issues and may require the teacher or service provider to see their mouth, may request an exemption from the Principal. If appropriate, they may be asked to wear a clear facial covering or face shield. Face shields must wrap around the sides of the wearer’s face and extend below the chin. Documentation from a medical provider must be on file and reviewed by staff before a student will be excused from this facial covering requirement.

9. Facial coverings should not be required for anyone who is unconscious, incapacitated, or otherwise unable to remove the facial covering without assistance.

**Student Illness at School**

If a student becomes ill or exhibits symptoms of COVID-19 while at school, the student will be separated from other students and staff to the designated space identified as the school’s Isolation Room. While in the Isolation Room, the student will be monitored by school staff. Students must be picked up by a parent/guardian after initial illness identification. The District will contact parents/guardians and, if needed, the student’s emergency contacts. Parents/guardians and/or emergency contacts will be informed of the importance of the student being picked up for the safety of the student and others.

**Return to School**

1. Students presenting with general illness symptoms that are non-COVID related will need to remain home until they are symptom-free without the use of medication for 24 hours.
2. Students presenting with COVID-like symptoms, **but no known COVID contact**, are required to remain home until they receive a negative COVID test **OR** are fever-free without the use of medication for 24 hours **AND** have improved symptoms.

3. Students presenting with COVID-like symptoms, and **have a known COVID contact**, are required to remain home until they are cleared from isolation or quarantine by a medical professional **AND** they are fever free without the use of medication for 24 hours **AND** have improved symptoms.

**Parents and other Visitors**

To prevent the spread of COVID-19, visitor access will be limited and restricted to the main office. Visitors are not permitted to enter any District buildings under the following conditions:

ACKNOWLEDGEMENT

I have read this Addendum to the 2020-2021 Parent/Student Handbook. I agree to abide by these requirements, as well as any other applicable District guidelines, and understand that these requirements are subject to change. In an effort to keep myself and my family safe from infectious disease, specifically COVID-19, I will comply with these requirements.

Specifically, I understand that it is my personal responsibility to ensure that prior to boarding a school bus or arriving at school, I have taken care to assess any potential symptoms of my child, to take my child’s temperature, and to ensure that there is no appearance of illness that would warrant my child staying home from school. I acknowledge that this is my responsibility and that for the safety of my school community, I must comply with these policies.
