

# Coral Reef Senior High School - Miami's Mega Magnet

## Six Magnets, One Family!

### Agriscience & Engineering

Both our Agriscience and Engineering Academies are recognized as Distinguished Academies by the National Academy Foundation (NAF). Students in the Academy of Agriscience will explore the field of Agricultural Biotechnology while learning about areas of current agricultural biotechnology applications, genetic principles, tissue/cell culture, and the potential for biotechnology in the field of agriculture. Research partnerships with the United States Department of Agriculture will enable students to participate in summer internships and conduct research on native tropical plant and animal species. Students follow a sequential program of study that leads to industry certification. Through their participation in the National FFA Organization, students will have opportunities to develop their leadership and professional development skills. The Academy of Engineering follows Project Lead the Way's rigorous national curriculum which is based on the ideals of project-based learning and 21st century skills. The curriculum covers topics included in a four-year college engineering program and provides students with an advanced understanding of the knowledge, human relations, and technological skills found in today's engineering professions. Students follow a sequential program of study that leads to industry certification. Students will be able to participate in the National TSA and SECME organizations. You must select either Agriscience or Engineering for your application. Acceptance is determined by the Random Selection process.

### International Baccalaureate (IB)

The International Baccalaureate Diploma Programme is a highly coordinated, demanding and rigorous course of study linking the Humanities, Sciences, Mathematics, Languages and Community Service. The Programme aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect. The International Baccalaureate Diploma Programme will enable students to live, learn and work in a rapidly globalizing world. Acceptance is determined by the Random Selection process.

### Medical/Health Sciences

The Academy of Health Sciences is a National Academy Foundation Academy (NAF). Students in this magnet will have the opportunity to pursue their dreams of a career in the health care field by participating in a rigorous and relevant curriculum. They receive a solid foundation in Anatomy and Physiology that results in a deep understanding of the scientific basis for their training and work in the healthcare industry. The three major themes in the curriculum are: Allied Medical Assisting, Emergency First Responder, and Nursing Assisting. These programs prepare students for future employment through rigorous preparation and the National Industry Certification exams. The students are also actively involved in HOSA-Future Health Professionals, formerly Health Occupations Students of America, which allows them further exploration of the health care field. Acceptance is determined by the Random Selection process.

### CORAL REEF CAMPUS HIGHLIGHTS

Magnet Schools of America Certified Demonstration School • An "A" School for over 20 years • Winner of the Blue Ribbon, 5-Star Award & "Golden Apple Award" • Ranked in the Top Public High Schools by Newsweek • Over 61% of our students are awarded Bright Futures Scholarships • Students awarded over \$26 million in scholarship money • 95% of students are college-bound • Dual enrollment programs with local colleges/universities • Full Athletic Program

### COLLEGE-BOUND 'CUDAS

Our Graduates have been accepted into: Tulane, NYU, Amherst, Cal Tech, Ga. Tech, Princeton, Yale, UNC-Chapel Hill, Dartmouth, Duke, Northwestern, US Naval Academy, Rice, Brown, Cornell, Penn, Columbia, Washington University, Stanford, Wellesley, Smith, Boston University, U of Texas-Austin, SMU, Davidson, Chicago, Syracuse, all colleges in the state of Florida and many more.

### Business and Finance

Recognized as a Distinguished Academy by NAF (National Academy Foundation), the Academy of Business and Finance prepares students for post-secondary education in finance related majors as well as other courses of study that demand a strong academic foundation in Math, Social Studies, and Writing. Students take industry-specific classes related to business and finance and are immersed in a curriculum that applies project-based learning and integrates literacy instruction through a process that stimulates professional knowledge and workplace behavior. Students will master industry-standard software and demonstrate their ability through an extensive internship experience in business. Acceptance is determined by the Random Selection process.

### Legal

The Academy of Legal and Public Affairs is designed for students interested in careers involving public administration and management, law enforcement, forensics, and the criminal justice system. Students will take an array of academy classes that focus on the demonstration of the following elements of the criminal justice industry: Physical Training (PT); Defense Tactics (DT); Drill and Ceremony (D&C); Forensics; Technical and Productive Skills; Investigative Procedures; Public Safety Procedures; First Aid Procedures; Criminal Law and the Criminal Justice System. Acceptance is determined by the Random Selection process.

### Visual and Performing Arts

The Visual & Performing Arts Academy offers six strands of specialization: **Visual Arts, Theatre Arts, Dance, Band, Chorus** and **Orchestra**. This performance based academy is comprised of actors, singers, dancers, musicians and artists who strive for excellence in academics and creative expression. Students spend two hours each day over a four-year period immersed in the theory and practice of their particular discipline. Extensive art labs, dance and music studios and black-box theatre serve as settings for our talented students. Auditions begin January and acceptance is determined by an audition score.
