

Coral Reef Senior High School - Six Magnets, One Family!

Magnet Fair – October 26 from 9am to Noon

“Tour Tuesdays” Nov. 12, 19 and December 3 at 8:00am sharp!

Agriscience & Engineering

Both our Agriscience and Engineering Academies are recognized as Distinguished Academies by the National Academy Foundation (NAF). Students in the Academy of Agriscience will explore the field of Agricultural Biotechnology while learning about genetic principles, tissue/cell culture, and the potential for biotechnology in the field of agriculture. The Academy of Engineering follows Project Lead the Way's rigorous national curriculum which is based on the ideals of project-based learning and 21st century skills. The curriculum covers topics included in a four-year college engineering program and provides students with an advanced understanding of the technological skills found in today's engineering professions. Students from both Agriscience and Engineering follow a sequential program of study that leads to industry certification. You must select either Agriscience or Engineering for your application. Acceptance is determined by the Random Selection process.

International Baccalaureate (IB)

The International Baccalaureate Diploma Programme is a highly coordinated and rewarding course of study linking the Humanities, Sciences, Mathematics, Languages and Community Service. The Programme aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect. The International Baccalaureate Diploma Programme will enable students to live, learn and work in a rapidly globalizing world. Upon earning the IB Diploma, students will receive the highest level of the Bright Futures Academic Scholarship which provides full coverage of tuition and fees applicable at Florida State Universities, as well as two years of college credit. Acceptance is determined by the Random Selection process.

Medical/Health Sciences

The Academy of Health Sciences is a Distinguished National Academy Foundation Academy (NAF). Students in this magnet will have the opportunity to pursue a career in the health care field by participating in a rigorous and relevant curriculum. They receive a solid foundation in Anatomy and Physiology that results in a deep understanding of the scientific basis for their training and work in the healthcare industry. The three major themes in the curriculum are: Medical Administrative Assisting, Electrocardiograph Technician, Emergency First Responder and Nursing Assisting. These programs prepare students for future employment through rigorous preparation and the National Industry Certification exams. The students are also actively involved in HOSA-Future Health Professionals which allows them further exploration of the health care field. Acceptance is determined by the Random Selection process.

CORAL REEF CAMPUS HIGHLIGHTS

Magnet Schools of America Certified Demonstration School and School of Excellence • An “A” School for over 25 years • Ranked in the Top Public High Schools by Newsweek • Over 61% of our students are awarded Bright Futures Scholarships • Students awarded over \$43 million in scholarship money • 96% of students are college-bound • Dual enrollment • Full Athletic Program • Five distinguished NAF Academies • STE(A)M Gold School Designation

COLLEGE-BOUND ‘CUDAS

Our Graduates have been accepted into: Princeton, Yale, MIT, Harvard, Morehouse, Ga. Tech, Vanderbilt, Columbia, Dartmouth, Brown, Northwestern, US Naval Academy, Rice, Cornell, UPenn, Duke, Stanford, Georgetown, Smith, Boston University, RISD, West Point, Chicago, Boston College, Stetson, UNC, Syracuse, all colleges in the state of Florida and many more.

Business & Finance

Recognized as a Distinguished Academy by NAF (National Academy Foundation), the Business & Finance Academy takes students from the classroom to the boardroom. Students prepare for post-secondary education in business/finance related majors as well as other courses of study that require a strong academic foundation in Math, Social Studies and Writing. Students take industry-specific classes related to business and finance and are immersed in a curriculum that applies project-based learning and integrates financial literacy instruction through a process that simulates professional knowledge and workplace behavior. Students will master industry-related software and demonstrate their ability through an extensive internship experience in business. Acceptance is determined by the Random Selection process.

Legal & Public Affairs

The Legal and Public Affairs Academy offers a sequence of courses that provides coherent and rigorous content aligned with challenging academic standards and relevant technical skills needed to prepare for further education and careers in the Law, Public Safety and Security career clusters. Students will apply themselves in Physical Training (PT); Defense Tactics (DT); Drill and Ceremony (D&C); Forensics; Technical and Productive Skills; Investigative, Public Safety, and First Aid Procedures; Civil and Criminal Law and the Civil and Criminal Justice Systems to culminate in testing for the Accredited Legal Professional – (ALP) exam. Acceptance is determined by the Random Selection process.

Visual & Performing Arts

The Visual & Performing Arts Academy offers six strands of specialization: **Visual Arts, Theatre Arts, Dance, Band, Chorus** and **Orchestra**. This performance-based academy is comprised of actors, singers, dancers, musicians, and artists who strive for excellence in academics and creative expression. Students spend two hours each day over a four-year period immersed in the theory and practice of their particular discipline. Extensive art labs, dance and music studios and black-box theatre serve as settings for our talented students who present multiple shows a year. Auditions begin January and acceptance is determined by an audition score. Follow us on Instagram @reefvpa and join our VPA family!
